

PIAGGIO®

WE ARE TRANSFORMING MOBILITY THANKS TO A BLEND OF TECHNOLOGY AND ART, A COMBINATION OF NEW IDEAS AND UNIQUE DESIGN. WE ARE SHOWING THE WHOLE WORLD THAT FUNCTIONALITY CAN BE FUN AND THAT PRACTICALITY CAN ALSO BE A THING OF BEAUTY. WE WANT TO ENSURE THAT PRESSING THAT START BUTTON SETS OFF REACTIONS THAT WILL TRANSFORM MONDAY MORNINGS INTO AN EXCITING EXPERIENCE, WHETHER IT BE THE SCRAMBLE TO SCHOOL, THE HOURS SPENT IN TRAFFIC OR THE PANIC PHONE CALLS MADE WHEN THERE IS NO MORE BREAD LEFT AT HOME. LET'S ENJOY EVEN THE MOST MUNDANE OF ROUTES AND MAKE OUR JOURNEY THE HIGHLIGHT OF THE DAY.

PIAGGIO BEVERLY.
PERFORMANCE FOR YOUR
EVERYDAY COMMUTE.

Beverly ignites your routine, turning your commute into a daily smile. An exceptional balance of power and agility, it adapts to your life with a level of performance that is unbeatable for its size.

SUPERIOR CLASS

Piaggio Beverly is the point of reference in the high-wheel scooter segment. The design incorporates technology, and attention to safety on the road keeps the joy of riding intact. Piaggio Beverly is a date with emotion that gets your day moving. Beverly and the feistier Beverly S are available in the 300 and 350 engine capacities, while the new special version Beverly 350 Tourer débuts, with top fairing, top box and PIAGGIO MIA connectivity system. More technology to make your life simpler: a practical USB socket and remote control to open the saddle and to identify the vehicle from a distance (Bike finder comes standard on Beverly S and Beverly Tourer). All the models in the new Piaggio Beverly range are available in attractive colour variations with dedicated finishes and offer an elegant instrument cluster with built-in LCD display, as well as ABS and ASR warning lights (ASR can be disabled using a button on the handlebar).

300 ie ABS/ASR

- Spacious helmet compartment, large enough to hold two helmets (one Jet and one Demi-Jet)
- Dashboard with built-in LCD display
- LED rear daylight running and LED rear brake lights
- Smoked top fairing (standard on 350 cc)
- Glove compartment with USB socket
- ABS/ASR system
- Great riding stability in traffic
- Unique and dynamic style with trim in glossy and matt parts

PERFORMANCE WITH STYLE

Piaggio Beverly is a classic of urban mobility. Safe, reliable and high performance, it stands out for its elegant and refined lines where details like the LED daylight running and brake lights play a primary role. Ideal for moving about in the city and beyond, thanks to the comfortable position for the rider and the spacious helmet compartment, large enough for two helmets: one Jet and one Demi-Jet. Piaggio Beverly 300 and 350 both share stylistic details, such as the black handlebar ends, the black seat with 'tone-on-tone' double stitching, the final transmission cover with black pigmented finish. There are also numerous finishes in glossy black, such as the luggage rack, fork guards, passenger foot boards, the central tunnel, wheel rims, rear-view mirrors and the silencer's heat shield. Piaggio Beverly 300 and 350 are available in the classic and popular Bianco Luna pastel colour, as well as the new matt Nero Meteora colour scheme.

NATURAL CHARISMA

The sportiest version of Beverly also stands out for its motorcycle-inspired chassis architecture, with the fuel tank under the foot board, for a riding experience that is in perfect balance between power and agility. Piaggio Beverly 300 and 350 S are available in the matt Blu Nettuno, Verde Laguna and Argento Cometa colour schemes. All are distinguished by common style details, such as the black seat with double stitching in red and grey, black handlebar ends and the black pigmented finish for the final drive casing. There is also plenty of trim in dark grey matt, such as the luggage rack, fork guards, passenger foot boards, the central tunnel and wheel rims which ensure a youthful and sporty look.

Piaggio Beverly 350 Tourer, the new flagship in the Beverly range, stands out for its equipment and for the performance provided by its ultra modern 4-stroke, 4-valve, liquid cooled 350 single-cylinder with electronic injection, the cutting-edge in Piaggio Group technology in scooter engines. The Beverly 350 Tourer comes standard with a practical and sporty smoked top fairing and a capacious 36-litre top box in the same colour as the vehicle and a backrest in the same colour as the seat. The standard equipment also includes the PIAGGIO MIA connectivity system, through which a smartphone can be connected to the vehicle via Bluetooth. Using the App, you can record and display a rich set of information about the trip and the operating status of the vehicle on your mobile device. The Piaggio Beverly 350 Tourer is available in a special pastel colour, Grigio Materia, combined with a black seat with double lining and comet silver trim, which also extends to the passenger foot boards. The equipment is completed by the wheel rims painted black with diamond edge and the new black plates.

Thanks to the Care services offered by the brand, you can drive your scooter without a care in the world. Benefit from an extended warranty (1 or 2 years), and choose from a selection of different routine maintenance packages, in accordance with your needs.

When you purchase one of our Service Packs, you will be entitled to periodic scheduled maintenance interventions, in line with the specifications set out in the use and maintenance manual.

2 YEARS 3 service coupons (1,000 - 5,000 - 10,000 km)

3 YEARS 5 service coupons (1,000 - 5,000 - 10,000 - 15,000 - 20,000 km)

Thanks to the Maintenance Check, you will be able to always keep your scooter under control, in the times and ways that best suit you, through a complete check-up of your vehicle, in addition to the replacement of a pair of brake pads, carried out exclusively by highly specialised personnel.

X-CARE

The X-Care warranty extension completes the dedicated services on offer, protecting your peace of mind when it comes to your scooter and allowing you to travel worry-free, with a 1 or 2 year warranty which includes roadside assistance:

- Coverage of repair costs for faults due to manufacturing or assembly defects on parts
- Replacement of any damaged parts with original spare parts, labour included
- Roadside assistance which guarantees non-stop mobility in addition to the breakdown recovery and towing services
- Specialised, certified Piaggio Group Service assistance
- Maintenance of the retail value of your used vehicle in case you decide to sell
- Coverage throughout Europe

Ask your dealership or your authorised service centre for full details of the services and coverage available in your country.

SERVICES

The dream of riding a Piaggio is now even easier to achieve, thanks to Piaggio Financial Services, the new Piaggio Group platform dedicated to the most innovative financing solutions.

www.piaggiofinancialservices.com

The company reserves the right to make technical and aesthetic changes at any time. Ride carefully, always wearing a helmet and and proper attire. Always comply with the rules of the road and respect the environment. Read the operating and maintenance manual carefully. Always ask for original and approved spare parts in accordance with prevailing standards. See your Official Piaggio Dealership and Authorised Retailers for a secure purchase and guaranteed service support. Original Piaggio spare parts are a guarantee of quality and ensure that vehicle performance remains unaltered.
